### THERE IS A REASON

Why it pays to advertise in the SEMI-WEEKLY BEE:

It reaches a large number of wage earners who take no other paper.

It has an almost exclusive circulation in a community whose \$50,000.00 in money is paid out each month.

It is read by hundreds of people who buy what they want and who have money to pay for what they buy.

The only way to get your advertisement before the people of Earlington, Morgans Gap, St. Charles and immediate vicinity is through the medium of the Earlington Bee. A hint to the wise is sufficient.

### WORK

Let me but do my work from day to day  
In field or forest, at the desk or loom,  
In roaming market-place or tranquil room;  
Let me but find it in my heart to say,  
When vagrant wishes beckon me astray,  
"This is my work—my blessing, not my doom;  
Of all who live, I am the only one  
By whom  
This work can best be done, in the right way."  
Then shall I see it not too great nor small  
To suit my spirit and to prove my powers;  
Then shall I cheerful greet the laboring hours,  
And cheerful turn, when the long shadows fall,  
At eventide, to play and love and rest,  
Because I know for me my work is best.

Henry VanDyke.

Beware of Ointments for Catarrh that Contain Mercury.

A mercury will surely destroy the sense of smell and completely deplete the whole system when entering it through the mucous surface. Such articles should never be used except on the prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

### New Show in Town.

The Genter-Edwards Stock company are giving a series of performances under a huge tent near the Earlington Machine Works on Thursday, Friday and Saturday nights. This company has a number of artists of no mean talent and are pleasing the crowds. They give a good clean show and one that is well worth the small price asked, 15 and 25 cents.

Don't think that piles can't be cured. Thousands of obstinate cases have been cured by Doan's Ointment. 50 cents at any drug store.

There is no need at all for a non-progressive store in a city of progressive people; for a non-advertising store in a city of advertisers.

Swellings of the flesh caused by inflammation, cold, fractures of the bone, toothache, neuralgia or rheumatism can be relieved by applying BALLARD'S SNOW LINIMENT. It should be well rubbed in over the part affected. Its great healing and penetrating power causes the pain, reduces swelling and restores natural conditions. Price 50c, 60c and \$1.00 per bottle. Sold by St. Bernard Mining Co., Incorporated, Drug Department.

Your immediate advertising task is to make new store-friends—while making necessary clearances of stock.

### High Class Vaudeville.

The Goodall & Lowery Co., out of Evansville, are at the Electric Theater Thursday, Friday and Saturday nights of this week. Those who saw the performance Thursday night will need no urging to attend every night while they are here. There are five children in the company all under thirteen years of age.

The youngest little lady, Miss Gertrude Lacklin, is only six year old and her singing is above the ordinary. Her gestures and acting would be a credit to one of far more experience. She is assisted by Master Paul Woodall, who is very little larger than herself. Master Woodall does some very fine clog dancing. The two oldest young ladies, Miss Gladys Cook, in singing and dancing, and Miss Johnnie Lowry, in her latest song hits, were very popular. It is said that if they should stay in one place a month they could put on an entire change of program every night, proving themselves to be the most versatile of young vaudeville artists on the road today. They will be at the Electric Theater tonight and tomorrow night. Admission remains 10 and 15 cents.

### Notice, Poultry Raisers

Now is the time of year to feed your fowls a good tonic. R4-11-44 cures Cholera, Roup, Gapes, Canker and Limberneck. When fed as a preventive it not only keeps them healthy, but makes them lay. Price 60c—No Cure, No Pay. Guaranteed by your druggist, St. Bernard Mining Co., Incorporated, Drug Department, Earlington, Ky., Gardner & Bowmer, Madisonville, Ky. Try it under the guarantee. Ask for booklet on diseases of poultry. 11-6200.

Real value-giving "sales," not advertised, may make a few store-friends for you—while if advertised they will make a great many.

AT ALEXANDER PARK

Refreshments of all kinds will be served. Mutton, ham and chicken. Plenty of fun for all. Everybody is invited to come out and enjoy yourself on that day. This may be the last one for the season. Come to the Park in the day and the Skating Rink at night, where you can have all the fun you are looking for for both old and young. Admission at night 10c. Come one, come all.

Prof. Bell Returned From St. Louis. Prof. Bell, principal of the colored school, has returned from St. Louis, where he attended the National Negro League as a delegate from Kentucky. He is the only negro in the state that was honored by Gov. Willson who named him as a representative of the negroes of Kentucky at the convention.

A Man of Iron Nerve. Indomitable will and tremendous energy are never found where stomach, liver, kidneys and bowels are out of order. If you want these qualities and the success they bring, use Dr. King's New Life Pills, the matchless regulators, for keen brain and strong body. 95c at all druggists.

A real value-giving "sale" will make friends for your store who will "stick". Not, of course, unless it's well advertised.

If your child is pale and sickly, picks at the nose, starts in the sleep and grinds the teeth while sleeping, it is a sure sign of worms. A remedy for these parasites will be found in Dr. H. H. WITTE'S WORM-FUGUE. It not only clears out the worms, but it restores health and cheerfulness. Price 25c per bottle. Sold by St. Bernard Mining Co., Incorporated, Drug Department.

"Advertising expense" is a figure of speech. Increased volume of sales wipes it out.

A Good Position. Can be had by ambitious young men and ladies in the field of "Wireless" or Railway Telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official Institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into position. It will pay you to write them for full details at Cincinnati, O., or Philadelphia, Pa.

You wouldn't move into a store so small that you couldn't display half your stock—so don't try to advertise in half-enough space, either!

Bilious? Feel heavy after dinner? Tongue coated? Bitter taste? Complaints follow. Liver needs waking up. Doan's Regulator cures bilious attacks. 25 cents at any drug store.

## Life of Roosevelt and His Strenuous Hunt in the Deep Wilds of Africa!

The Semi-Weekly Bee one year and the Book for \$1.50, price of book alone

The book comprises nearly four hundred large octavo pages, printed on fine paper and beautifully bound, with scores of magnificent, full page photograph engravings of scenes in the heart of Africa; its dark mysterious forests, mighty rivers and far stretching plains; with pictures of lions, elephants, giraffes and of other strange animals, hitherto unknown to civilization, that Theodore Roosevelt has killed.

What a scene for a thrilling story! Africa the Dark Continent, the Land of Mystery. Mere descriptions of it have always been interesting. The accounts of Livingstone and Stanley have sold heavily in United States, but the story of Theodore Roosevelt, who is one of us; the every day, intimate history as told by the friends and companions of his trip, has a fascination absolutely incalculable.

## This Book Sells for \$1.50

But we will give you The Semi-Weekly Bee one year and the Book for \$1.50

This offer is good for a limited time only. Take advantage of it now. Sample of book can be seen by calling at this office

### A Store Must "Speak For Itself."

The Miles Standish idea of  
courtship by proxy obtained in  
store-management, very general  
ly, until recent times. It was  
thought that "a pleased custom-  
er" was not only "the best ad-  
vertisement," but that no other  
advertisement was needed.

That was true, to some extent,  
before the days of the larger de-  
velopment of the store idea. Now  
a store is a great bureau of  
service, standing much besides  
mere buying and selling.

And with the broadened func-  
tions of the store the need of  
constant publicity—publicity  
systematized, made valuable to  
all people in giving them oppor-  
tunity news—developed.

Proxy-advertising—the good  
word of the pleased customer to  
a friend—has lost none of its  
value. But it has dropped to the  
place of auxiliary advertising.  
It is a help—not a sole re-  
liance.

Truly, a store "must speak  
for itself." It is the verdict of  
"modern Precillias." (It is all  
very well for a friend to say, en-  
thusiastically, "I found the best  
bargain at Blank's yesterday.")  
But it is more needful to know  
what bargain can be found at  
Blank's today and tomorrow—  
and this is "advertising news."

### For Sale Cheap

One square Piano. Call at Bee of-  
fice for particulars. This is a bar-  
gain.

Enthusiastic advertising of a  
store that compels enthusiasm is  
"winning" advertising.

### DIRE DISTRESS.

It Is Near At Hand to Hundreds of  
Earlington Readers

Don't neglect an aching back.  
Backache is the kidneys' cry for  
help.  
Neglect hurrying to their aid  
Means that ordinary troubles fol-  
low quickly.

Dire distress, diabetes, Bright's  
disease.

John Davenport, Wilson, St.  
Earlington, Ky., says: "I suffered  
more severely from kidney trouble  
than words can describe. My back  
was so sore and lame that I could  
not do any work for days at a time.  
The kidney secretions were scanty  
and there was a constant pain in my  
head. I often became dizzy and  
dark spots appeared before my eyes.  
Nothing helped me until I procured  
Doan's Kidney Pills at the St. Ber-  
nard Drug Store. I felt much bet-  
ter after taking them a few days and  
from that time on I improved steady-  
ly until I was in good health.

cents. Foster-Milburn Co., Buffalo,

## TO BUILD A BIG STORE FIRST, BUILD A BIG MERCHANT

Emerson said that "an institution is but the lengthened shadow of  
one man."

A store is no greater than its owner.  
It will grow up to the stature of his biggest ideas—but no larger.  
Every store in this town is GROWING UP TO ITS OWNER'S  
SIZE.

So that, no matter how small it is today, it will become as big as  
he determines it shall be.

For your "natural merchant" is a big advertiser. He may be  
able, just now, to use but a small space—but he is getting ready to  
use big space. And he uses the small space PERSISTENTLY, making  
the advertising as inevitably a part of his expense as anything else—  
and aiming at a constant expansion of the space used.

That sort of merchant will build a big store—for he is, potentially,  
a big merchant already.

It is understood from reliable

thousand dollars to enlarge and

place. The necessary engineering  
work has been done and the

The Semi-Weekly Bee is adding  
to its subscription list daily. The  
people know a good thing when they  
see it and they are not slow to take  
hold of the many business propo-  
sitions THE BEE is now offering. One  
man said: "What is the use to pay  
a dollar for a granite ware teakettle,  
dishpan or water pail when you can  
get one for 60 cents by subscribing  
for THE BEE?" And he is right  
about it.

### A Store Must "Speak For Itself."

The Miles Standish idea of  
courtship by proxy obtained in  
store-management, very general  
ly, until recent times. It was  
thought that "a pleased custom-  
er" was not only "the best ad-  
vertisement," but that no other  
advertisement was needed.  
That was true, to some extent,  
before the days of the larger de-  
velopment of the store idea. Now  
a store is a great bureau of  
service, standing much besides  
mere buying and selling.

And with the broadened func-  
tions of the store the need of  
constant publicity—publicity  
systematized, made valuable to  
all people in giving them oppor-  
tunity news—developed.

Proxy-advertising—the good  
word of the pleased customer to  
a friend—has lost none of its  
value. But it has dropped to  
the place of auxiliary advertis-  
ing. It is a help—not a sole re-  
liance.

Truly, a store "must speak for  
itself." It is the verdict of  
"modern Praxillas." [It is all  
very well for a friend to say, en-  
thusiastically, "I found the best  
bargain at Blank's yesterday."]  
But it is more needful to know  
what bargain can be found at  
Blank's today and tomorrow—  
and this is "advertising news."

### For Sale Cheap

One square Piano. Call at Bee of-  
fice for particulars. This is a bar-  
gain.

Enthusiastic advertising of a  
store that compels enthusiasm is  
"winning" advertising.

#### DIRE DISTRESS.

It Is Near At Hand to Hundreds of  
Earlington Readers

Don't neglect an aching back.  
Backache is the kidneys' cry for  
help.

Neglect hurrying to their aid.  
Means that urinary troubles fol-  
low quickly.

Dire distress, diabetes, Bright's  
disease.

John Davenport, Wilson, St.  
Earlington, Ky., says: "I suffered  
more severely from kidney trouble  
than words can describe. My back  
was so sore and lame that I could  
not do any work for days at a time.  
The kidney secretions were scanty  
and there was a constant pain in my  
head. I often became dizzy and  
dark spots appeared before my eyes.  
Nothing helped me until I procured  
Doan's Kidney Pills at the St. Ber-  
nard Drug Store. I felt much bet-  
ter after taking them a few days and  
from that time on I improved steady-  
ly until I was in good health.  
For sale by all druggists. Price 50  
cents. Foster-Milburn Co., Buffalo,  
New York, sole agents for the Unit-  
ed States.  
Remember the name—Doan's—  
and take no other.

Mitchell, returned home Monday.

**F. D. McGary, traveling salesman**  
for the Louisville Coffee Co., in this  
section, was first prize for selling  
the largest amount of goods last  
month. He was presented with two  
five dollar gold pieces by the com-  
pany. Mr. McGary had several  
competitors, but won by a safe  
margin.

## TO BUILD A BIG STORE

## FIRST, BUILD A BIG MERCHANT

Emerson said that "an institution is but the lengthened shadow of  
one man."

A store is no greater than its owner.  
It will grow up to the stature of his biggest ideas—but no larger.  
Every store in this town is GROWING UP TO ITS OWNER'S  
SIZE.

So that, no matter how small it is today, it will become as big as  
he determines it shall be.

For your "natural merchant" is a big advertiser. He may be  
"big" now, to use but a small space—but he is getting ready to use  
big space. And he uses the small space PERSISTENTLY, making  
the advertising as inevitably a part of his expense as anything else—  
and aiming at a constant expansion of the space used.

That sort of merchant will build a big store—for he is, potentially,  
a big merchant already.

### L. & N. Making Improvements.

It is understood from reliable  
authority that the L. & N. has  
made an appropriation of several  
thousand dollars to enlarge and  
repair the railroad yards at this  
place. The necessary engineering  
work has been done and the  
laying of new tracks will begin  
in a few days.

Charles Barnett and wife, T. H.  
Stone and Harry Corey have started  
on a prospecting trip to Kansas,  
Old Mexico and Texas.

The Semi-Weekly Bee is adding  
to its subscription list daily. The  
people know a good thing when they  
see it and they are not slow to take  
hold of the many business propo-  
sitions this Bee is now offering. One  
man said: "What is the use to pay  
a dollar for a granite water teakette,  
dishpan or water pail when you can  
get one for 50 cents by subscribing  
for this Bee?" And he is right  
about it.
